

# Library Services @ UW Colleges Online

## Research Help

The librarian is here to help you with your **research**, whether figuring out how to get started on a topic, navigating library resources, or doing in-depth research. Available in-person at UW-Marathon County, by phone, over email, or through chat.

## Video Tutorials

A collection of **video tutorials** is hosted on the [UW Colleges Online Library Services webpage](#) to help you navigate our digital resources. These tutorials can help you succeed in your research assignments and are updated periodically, so check back!

## Digital Resources

Don't miss our excellent digital resources! We have **over 100 searchable online databases** featuring articles, eBooks, films, and more in a variety of subjects. Find them on the [UW Colleges Online Library Services webpage](#).

## Library Materials

You have access to the millions of items within the UW System Libraries, which can be requested and sent to your closest UW school or to your home. The library shares a searchable catalog with all **26 UW System** campus libraries. Find the library catalog, Search@UW, on the [UW Colleges Online Library Services webpage](#).
